Due to significant growth in our Audit department, we are currently recruiting for an Auditor Senior to join our team at Baker Tilly Mooney Moore.

We are an independent firm of chartered certified accountants and business advisors. Based in Belfast's Clarendon Dock, we provide services to clients throughout Northern Ireland and beyond.

This is an exciting opportunity to join a growing and progressive firm where you will gain hands on experience across a range of clients in the private, public and voluntary sectors.

With a strategy of growth in place, we are committed to and invest heavily in our people and have career progression programmes in place with full mentoring and professional and personal development support for our staff. As we believe in a truly quality led service, we ensure that our professionals are highly skilled, training every member of the team to meet the highest standards.

- Providing financial information and technical advice
- Problem solving
- Developing and maintaining a good working relationship with client personnel and other audit and accounts team members
- Managing and leading more junior members of the team both in the office and at client sites.

The successful candidate will be either ACCA or ACA qualified with excellent technical knowledge and relevant experience in auditing. We are looking for someone with demonstrable experience of planning, controlling and completing audit engagements for a diverse portfolio of clients. They will have the ability to work to tight reporting deadlines and within financial budgets, and whilst ideally we would like the successful candidate to have SAGE experience, this is preferred but not essential.
