Ciara Mallon - Tax Trainee

"I'm really enjoying everything about the Graduate Training experience, from working with clients to the training as well as working with different teams in the firm. I had the fantastic opportunity of taking part in a panel discussion as part of International Women's Day which was shared with our colleagues around the world."

Ashleigh Shaw - CAI Trainee

"When we joined we took part in a full induction programme. This included an introduction to all of the services that the firm provides to clients, an introduction to accounting principles as well as the firm's procedures."

Emma George - CAI Trainee

"We're part of the Baker Tilly International network. This really appealed to me, we've taken part in events with our colleagues around the globe and once we've qualified there are opportunities for us to be seconded to other firms throughout the world."

Rory Flynn - ACCA Trainee

"A real benefit of the Graduate Training Scheme is that we can choose whether to study with the Association of Chartered Certified Accountants – the ACCA or Chartered Accountants Ireland – CAI.
